

GOVERNMENT OF THE DISTRICT OF COLUMBIA
DEPARTMENT OF HUMAN SERVICES

Office of the Director

TO WHOM IT MAY CONCERN:

We employed Labor Relations Alternatives, Inc. (LRA) as a sole source trainer for our investigations training in 2005, specifically for the IMIU and the Providers, the units who are caretakers of the mentally retarded and disabled population. In addition to teaching Basic Investigations, LRA taught classes in Weighing Evidence and Report Writing.

According to our employees, the training classes were informative and exhibited the instructors' depth and breadth of knowledge on the subjects. They provided comprehensive incident management procedures and gave them strategies to promote safe and caring environments for those individuals being cared for.

We hope to again have the opportunity to solicit the support of LRA as we train our workforce in investigations.

Sincerely,

Marjorie H. Booker,
Training Coordinator
